

City Creek Kiwanis Internet Club Membership Signup Form

Service is at the heart of every Kiwanis Club, no matter where in the world it's located. Members stage nearly 150,000 service projects and raise nearly US\$107 million every year for communities, families and projects.

Kiwanis Clubs focus on changing the world by serving children, one child and one community at a time. To do this, many clubs also sponsor a Kiwanis family club—K-Kids for primary school children; Builders Clubs for adolescents; Key Clubs for teens; CKI clubs university students and Aktion Clubs for adults living with disabilities—to reach more people and have a greater service impact on their communities.

No two Kiwanis Clubs look exactly the same. And they shouldn't. Each members' and community's needs are different, and each club should look different. Some clubs are very traditional, with weekly meetings and a strong sense of history. Other clubs don't meet at all, and instead hold meetings online and only come together for service projects. Newer clubs may follow the 3-2-1 concept: 3 hours of service, 2 hours of social activity and a 1 hour meeting each month. Clubs should reflect their community and their members and should work to meet their needs. Flexibility is key to a successful club.
